

Prayer to Stop the Spiritual Effects of Freemasonry

If you or anyone in your family line was involved in Freemasonry, Shriners, Eastern Star, DeMolay, Jobs' Daughters, Rainbows, etc., agreements or covenants were made, usually unknowingly, that may have opened the door to demonic interference or attack. We recommend that you pray this OUT LOUD.

Lord Jesus Christ, I believe that you became a curse for us, so that we could be blessed and that nothing is more powerful than the blood you shed for us. I confess that I (my family has) have been a member of a group related to freemasonry. I now claim your sacrifice on my behalf and stand in the authority I have in Christ and renounce any and all involvement in the Masonic Order or any related organization.

Holy Creator God, I come to you in the name of your Son Jesus Christ seeking forgiveness and cleansing from all sins committed against you. I renounce all oaths taken and the curses involved in Freemasonry and related organizations by my generations (and myself). I renounce all the false gods which are honored, including the gods and goddesses of Egypt and the Soul of Cheres, the false symbol of immortality, and the false teaching of reincarnation. I renounce and forsake the declaration in the 33rd degree that Lucifer is God. I renounce all fear of insanity, death wishes, anguish suicide and death. I renounce all anger, hatred, murderous thoughts, revenge, retaliation, spiritual apathy, false religion, all unbelief, especially unbelief in the Holy Bible as God's Word, and all compromise of God's Word. I renounce every evil spirit involved, every false religious symbol and the greed and witchcraft involved to manipulate and control the rest of mankind.

In the name of the True Jesus Christ, I break and cancel any curse associated with these things and I command every evil spirit to be loosed from me and to be bound to the feet of Jesus, so that He may deal with you. I call on the Name of the Lord Jesus to deliver me and my family of the spirits of sickness, infirmity, curse, affliction, addiction, disease or allergy associated with these sins which I have confessed and renounced. Lord Jesus, thank you for your forgiveness, cleansing and protection. I now pray your precious blood over these sins and your Cross between me, my family, and all evil that has come against us. Thank you for your freedom, Lord Jesus. Please, come and restore all that was lost or stolen from us as a result of these sins. From this day on I choose to worship you only. Amen.
